

instax mini 25 CAMERA

Stylish Instax Mini 25 produces vivid credit-card sized instant prints.

It's a surefire attention-grabber, this Fuji Instax Mini 25 White! This clean-looking, milky-coloured instant camera makes self-portraits and group pictures effortlessly fun with its self-shoot mirror and intelligent flash that fills in a burst of light when necessary – so that you'll get well-lit, sharp, and bright pictures every time!

This instant camera boasts added features such as an LCD film count and shooting mode display as well as a camera mounted shooting mirror for taking self portraits.

ISO 800
