

instax[™] mini 50s CAMERA

Compact & stylish piano-black body makes the Instax 50S the perfect companion for those sophisticated parties.

- The instax mini 50S adjusts shutter speed incrementally, so you get good pictures even in low light.
- The ingenious Self-Timer let's you take two shots with a single touch of the shutter button.
- The high performance Flash mode automatically calculates surrounding brightness and adjusts shutter speed accordingly - excellent for photos at parties with subdued lighting and other low light scenes.
- The close-up lens allows you to shoot at 12", (30cm) for a 2:1 magnification ratio.
