

instax™ 300 WIDE

Wide format photography is fun when people get together. This large film is well suited for photography at parties and other gatherings. Everybody's facial expressions are clearly shown.

- "Automatic flash for low-light shooting" optimizes the luminescence in accordance with the distance.
- Use back-lighting to enhance your photos thanks to the "Fill-in flash by flash-on button."
- "Exposure compensation (Lighten-Darken Control)" enables you to get just the right mood.

The instax 300's easy-to-load cartridge delivers superb wide format instant photos. instax film ensures sharp, clear reproduction, vivid color and natural skin tones.
