

HIGH PROFIT DIGITAL ACCESSORIES

Compact Neck Strap

The New Samigon Compact Neck Strap is perfect for point and shoot digital cameras.

- Keep cameras, cell phones, MP3 Players, from falling out of your shirt pocket and breaking when they hit the floor.
- This simple but luxurious neck strap is light on the neck and will squash up to fit into the smallest camera cases.
- A great add on for every camera sale.

Hurricane Blowers/Brushes & Cleaning Set

Three new ways to clean your camera and lenses. All the new Samigon Hurricane Blower Brushes and Set have the new double valve system that produces a very powerful jet of air to blow dust and dirt out of cameras and lenses.

The Giant Hurricane Blower is even more powerful and comes with a detachable brush to help remove dust. The Cleaning kit includes blower brush, lens cleaning solution, 50 sheets of lens paper and cotton swabs for even more thorough cleaning.
