

WHAT ARE CONSUMERS DOING WITH MEMORY CARDS?

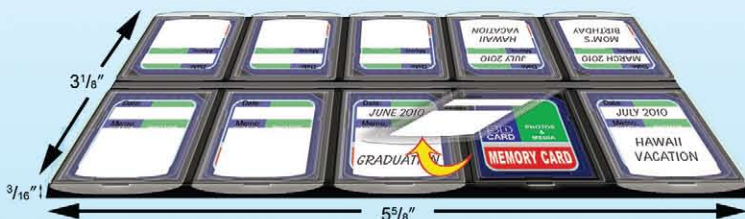

INTRODUCING....

MEMORY CARD ORGANIZER™

HOLDS 10 MEMORY CARDS

SD, SDHC, MicroSD, Mini SD, Memory Stick Pro Duo, XD plus most others...

ORGANIZES • PROTECTS • STORES

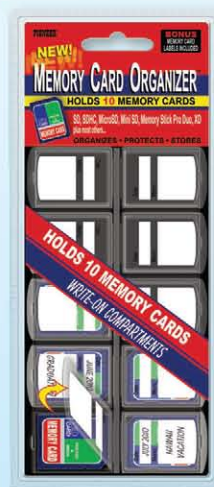

- Memo area to write card date and contents
- Easy-to-use flip open compartments securely protect each memory card
- Durable, anti-static and shock resistant
- Fits in a 4"x6" photo album pocket
- Organizers are stackable
- Hangable clamshell packaging and PDQ counter display

BONUS! LABELS

- Place write-on, removable labels on memory cards when in the organizer, so if a memory card is removed from the organizer its contents can still be easily identified

Counter Display / 12 ea.
