### JetDrive Go Flash Drives for Apple iPhones and iPads

JetDrive Go Flash drives were designed to allow you to expand your iOS device storage. With the JetDrive Go App, the JetDrive allows you to free up valuable storage space on your device as well as backup, organize and store photos and video directly to your JetDrive Go. The drive can then be unplugged from your iOS device and plugged into your computers USB port to transfer data from the JetDrive Go to your computer.

The unique dual connector design allows the JetDrive Go to be used in both iOS devices with lightning interfaces and computers with USB 3 connectors.

### Smart Card Reader with Micro USB connector, OTG for Android devices

The RDP9 Smart reader features a micro USB interface exclusively for your **Android smartphone and tablet**. You can easily manage and share files between SD/microSD memory cards and USB flash drives.

**OTG for Android**
